

VYTAUTAS MAGNUS
UNIVERSITY

Centre for Social Anthropology

Master's program in Social Anthropology

invites everyone, who wants:

- to explore different cultures and societies in the global comparative perspective;
- to analyze local cross-cultural encounters and the formation of new identities in the global world.

Studies provide opportunities to study in countries around the world.

Duration of study – 2 years

You will be taught by professors from Lithuania and abroad (USA, Switzerland, UK). Also the program includes students from Lithuania and abroad.

Certificate in Intercultural Understanding (Southern Illinois University, USA)

Students may complete the Module of Study in Intercultural Understanding offered by the **SIU Anthropology Department**. The Certificate from SIU is issued alongside their Master degree from VMU.

Application and admission starts **from 2015 06 02 and lasts till 2015 06 26**

Jonavos st. 66-307, 44191, Kaunas
